What is the Cyber High Unlimited Use Plan?

As simple as it sounds: No more frustrating seat licenses, no more limiting course selection, no more choosing one student's needs over another. The Unlimited Use Plan allows all of your high school students to take as many courses as they need, when they need them. The Unlimited Use Plan helps you achieve equitable education for all students utilizing online curriculum.

What makes Cyber High a better choice?

- User-friendliness for staff and students;
- Unprecedented "non-profit" value;
- Quality courses requiring genuine mastery-based learning;
- Rigorous yet accessible curriculum;
- Owned and operated by an educational entity, The Fresno County Superintendent of Schools
- We offer the only comprehensive and 100% Unlimited Use option on the market

Cyber High is utilized for both original credit and credit recovery by:

- Comprehensive Schools
- Alternative Education
- Special Education & SELPA Programs
- Charter schools, including Independent Study Programs
- Adult Schools
- Court/Community Schools
- Adult Incarceration Programs
- Summer School Programs
- Migrant and EL Programs
